WHAT ARE OPPORTUNITY ZONES AND HOW DO WE TAKE ADVANTAGE?

Originally introduced in the Investing in Opportunity Act, the Opportunity Zones Program was enacted as part of the 2017 tax reform package. The program is designed to drive long-term

capital to rural and low-income urban communities throughout the nation and uses tax incentives to encourage private investment in impact funds. This session will cover the new Federal guidelines just introduced as well as discussing what investors are looking for, and what communities can do moving forward.

Presenter(s):

Max Daffron, Economic Development Manager, Adams County
Joseph Libkey Jr., President & CEO, Blueprint Investment Group

11:50 – 12:35 p.m.

TOOLS FOR MAKING PROJECTS WORK

All of our economies – municipal, county, or state – are in a constant state of change. In order to develop prosperity within every changing community, we need to adapt to their growing needs. This session will cover various tools available to communities to attract redevelopment and investment, and ways community leaders can steer a course for long-term growth and economic vitality.
